Cost less because "Edison" weight for weight, binds more material with  
same strength or same material with more strength.  
Look better because always made from cement rock from the same quarries,

Last longer because sand, gravel or crushed rock is bound by cement that

### DEMONSTRATION IN LONDON.

Against The Execution of Prof. Ferrer  
in Spain.

London, Oct. 18.—The first public  
Ferrer demonstration in England filled  
Trafalgar Square yesterday afternoon  
with a crowd numbering many thou-  
sands. A large proportion were look-  
ers but the genuine manifestations were  
a big muster. They included many Ger-  
mans, Frenchmen, Italians and Span-  
iards. The speeches were very violent,  
and afterwards there was an exciting  
row, which, however, did not have any  
very serious consequences. James  
O'Grady and Albert Grayson, both mem-  
bers of Parliament, and H. W. Hynd-  
mann and Cunningham Graham spoke  
on a resolution denouncing the murder  
of one of Spain's most eminent and  
most useful citizens, expressing delinea-  
tion of the torturing, Jesuitic, who, with  
the Militarist allies were reviving the  
Inquisition in Spain, and demanding  
that Great Britain urgently press Spain  
to abolish all courts martial.
